„24 Snega“

Scriptwriting and Director: Mikhail Barynin

Production: Egor Makarov

The pictures let us guess the unimaginable cold. But Sergej, the hero of the film 24 Snega has already spent 24 winters under these conditions in Yakutia. Out of love for the primordial wild horses and his mythical connection with them. In long scenes producer Jegor Makarow and director Michail Barynin paint poetic pictures of an archaic world. As a film about the great and harsh freedom of a horse breeder, 24 Snega at the same time impresses how a piece of art emerges, free from format constraints and concerns for broadcasting slots, which takes its time and space of almost Yakutian dimensions.
