„Megeti – Africa’s Lost Wolf“

Director: Yann Sochaczewski

Scriptwriting: Yann Sochaczewski, Henry M. Mix

Altayfilm GmbH, Doclights GmbH / NDR Naturfilm, Terra Mater

When the main protagonist of a wildlife film suddenly dies, it is usually a disaster for the film makers. In this case, Yann Sochaczewski and Henry Mix take advantage of this unexpected and sad circumstance to develop a great story. Through clever and sensitive assembly, the story of the wolf is not only shown to the viewer, it is also made tangible. It is an achievement to react to an unexpected event. It is an even bigger one to turn it into a gripping and outstanding story. In this film the script is co-written by nature and excellently implemented by the film makers.
