Directors: Richard Ladkani, Kief Davidson

Editing: Verena Schönauer

Score: H. Scott Salinas

Sounddesign: Bernhard Zorzi

Producer: Walter Köhler

Terra Mater Factual Studios, Vulcan Productions, Malaika Pictures, Appian Way

Sometimes reality offers more suspense than any thriller. International criminal syndicates, highly organised like drug cartels, corruption up into the topmost levels of government, undercover investigations and a race against time. All these are ingredients of „The Ivory Game“. Unfortunately however, the smuggling of ivory is not just a fictional problem. It is real and an ecological catastrophe, happening every single day in Africa. „The Ivory Game“ battles this tragedy with excellent journalistic research, which was conducted under life-threatening circumstances. Such an accomplishment is exceptional and continues to captivate the viewer, even long after the closing credits have faded.
