## **Laudatio**

### **Best Independent Production**

#### **„Mohitban va Palang“**

**Director:** Fathollah Amiri

**Cinematography:** Nima Asgari

**Production:** Fathollah Amiri

This film is perceptive and subtle with a very unique story. The longer the film runs the more you enjoy it. You are engrossed in the protagonist's fate sharing his sufferings and triumphs. A very unexpected insight into conservation in a country that is generally in the headlines for very different reasons.
