

# GREEN SCREEN®

13<sup>th</sup> INTERNATIONAL WILDLIFE FILMFESTIVAL ECKERNFÖRDE  
**SEPTEMBER 11<sup>TH</sup> - 15<sup>TH</sup> 2019**

## **Laudatio**

### **Award of the Juvenile Jury**

#### **„Die Weihnachtsinsel & der Palmendieb“**

**Directors:** Moritz Katz & Braydon Moloney

**Cinematography:** Moritz Katz, Braydon Moloney & Pim Niesten

**An ATARA film production for Doclights/NDR Naturfilm**

The film combines varied approaches to wildlife filming with a smart story both fascinating and humorous. A variety of camera perspectives turns everyday animal life into a real adventure. No matter whether we watch the protagonists during a dangerous climb crossing a street or battling with a fellow member of their species.

The music is not only fitting but also experimental.
