Best Newcomer

„Wilde Heimkehrer“

Director and Script: Alexander Sommer

Cinematography: Alexander Sommer, Philipp Klein

Produktion: Dodights NDR Naturfilm für den NDR, MDR, SWR und ARTE

Great craft, both in camera work and storytelling. For a newcomer in particular. The camera doesn't miss any angles. Whether above or below water, from a tripod, or with a drone. Amazing perspectives string together almost as a matter of course over the duration of the entire film. But always adapted to the animal protagonists. Dramaturgically, too, the film is uncompromisingly told through. All circles come full circle. And, last but not least. The fates of the animals are portrayed so impressively that one literally "sympathizes" with each individual return.

The winner in the categorie BEST NEWCOMER is Alexander Sommer with „Wilde Heimkehrer“
