INTERNATIONALES NATURFILMFESTIVAL ECKERNFÖRDE  
14. - 18. SEPTEMBER 2016

## **Laudatio Special Mention**

**„Het Noorderplatsoen“**

**A Film by: Hilco Jansma  
Production: Hilco Jansma**

We, the jury, have decided on a special mention in the Newcomer category. This filmmaker shows promise in using all stylistic means of wildlife filming and has captured a behavioural situation on camera that big productions would be proud of.

We hope that he continues on his way and are looking forward to welcoming his next film at the Green Screen Festival.
